MONTHLY MUST-KNOWS

ASC members I hope you had a great July! Augusta community had so many wonderful celebrations for America's 250th birthday. It was so good to see such support and attendance from the town.

Here at ASC we have grown our members to 422! This is a huge improvement from the 389 we were at in May. Bingo with Ben was a great time with a very nice turn out. The craft ladies made a beautiful hanging decoration and we had a lot of fun painting bird houses with Michelle as well! Supper with friends they went to Stearman's and had a very nice turn out!

Our 2nd annual pool party had a little hiccup with rain that morning scaring a lot of people away, but those who came had a great time! Henry Heinz and Lakepoint are partnering with ASC so the last Thursday of the month they will be here to do some type of activity last month was their first time and though there weren't a lot of people it was a fun time.

There is something I would like to address to everyone as a friendly reminder. We are beyond lucky to have so many wonderful activities happening at the center. On top of that the fact that we have grown in numbers and continue to bring in new people is amazing. That being said please keep in mind this is a shared space, there are some days activities are going to overlap. A little patience and understanding goes a long way. Remember it costs nothing to be kind. If there is an issue that needs to be addressed please come see me. I want everyone to feel welcome here.

The month of August is gearing up to be a good one, thank you to everyone who continues to support ASC!
