MONTHLY MUST-KNOWS

ASC members what an August!

We had such a great turn out for Bingo with the Grand kids!

The members and kids had a blast.

Supper with Friends at Candiles was also well attended and great food and company. We had guest speakers Aaron

Fowler and Peter Mader come chat with us about their children's book they wrote and illustrated. There were a few members that took advantage of our partnership with Kozy Kiln and I can't wait to see the finished glaze ceramics they painted!

Things to look forward to for this month, we are bringing back Socials on the weekend! As you may know the last few months we haven't had them due to rentals at the center BUT moving forward we are going to make an effort to have a social night once a month. This month it will be September the 5th. Something to keep in mind is this will be a floating event meaning it will not be the same weekend every month.

This allows the center to rent out as much as they can but also ensure you get an evening to socialize.

Speaking of evening, we are having late night hours once a month on the 2nd Tuesday of the month! Depending on attendance we will look to doing more in the future. The goal is to be open for those members that work during the day.

Also at the last Board Meeting it was decided to move the meeting from the 3rd Wednesday to the 3rd Friday of every month. With the exception of September which will be held the 4th Friday due to conflict in schedule.
