MONTHLY MUST-KNOWS

September has just flown by!

I'm honestly not too sad about considering the beginning of the month we were stuck in triple digit heat for the first half. We had a flu vaccine event from Walgreens at the beginning of the month. The basket filling activity with Jeannie Barnes was well attended! We made 33 baskets for the Basket Social which was so fun to be a part of. A special thank you to Sue Dehart for making enchiladas for the center. Providence came and met with the Koffee Klatch group and had a great discussion on being a volunteer. Supper with Friends at King Buffet had a good turn out.

October is here along with cooler weather.

If you have a recipe that is simple and delicious, that you think the center should try don't hesitate to bring it to Lisa or Aurora. If you feel called to cook a meal for the Center, Lisa will happily be your helper in the kitchen. Come chat with her or Aurora about it.

If you are a card player, please note that the cards and games have moved to over by the TV. This is to allow easier access to the cards and give more space for bingo prize storage.
